Membership shall be appurtenant to ownership of each Lot, and may not be separated from ownership of each Lot.

Except for Lots owned by the Declarant, the Owner of each Lot, whether one or more persons and entities, shall be entitled to one (1) vote on each matter properly coming before the Members of the Association. 6. Covenant for and Imposition of Dues and Assessments. Declarant, for each Lot owned, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay dues and assessments as provided for herein. The Association may fix, levy and charge the Owner of each Lot with dues and assessments (herein referred to respectively as “dues and assessments”) under the following provisions of this Declaration. Except as otherwise specifically provided, the dues and assessments shall be fixed by the Board of Directors of the Association and shall be payable at the times and in the manner prescribed by the Board of Directors.

7. Abatement of Dues and Assessments. Notwithstanding any other provisions of this declaration, the Board of Directors may abate all or part of the dues or assessments due in respect of any Lot, and shall abate all dues and assessments due in respect of any Lot during the period such Lot is owned by the Declarant or any of Declarant’s designated builders.

8. Liens and Personal Obligations for Dues and Assessments. The assessments and dues, together with interest thereon, costs and reasonable attorneys’ fees, shall be the personal obligation of the Owner of each Lot at the time when the dues or assessments first become due and payable. The dues and assessments, together with interest thereon, costs and reasonable attorneys’ fees, shall also be a charge and continuing lien upon the Lot in respect of which the dues and assessments are charged. The personal obligation for delinquent assessments shall not pass to the successor in title to the Owner at the time the dues and assessments become delinquent unless such dues and assessments are expressly assumed by the successors, but all successors shall take title subject to the lien for such dues and assessments, and shall be bound to inquire of the Association as to the amount of any unpaid assessments or dues.

9. Purpose of Dues. The dues collected by the Association may be committed and expended to accomplish the purposes of the Association described in Section 1 of this Article, and to perform the powers and responsibilities of the Association described in Sections 4 and 5 of this Article.

10. Maximum Annual Dues. Unless excess dues have been authorized by the Members in accordance with Section 11, below, the aggregate dues which may become due and payable in any year shall not exceed the greater of:

- A. Two Hundred Fifty and No/100th (\$250.00) Dollars per Lot.
- B. In each calendar year beginning on January 1, 20__, one hundred twenty-five percent (125%) of the aggregate dues charged in the previous calendar year.

11. Assessments for Extraordinary Costs. In addition to the annual dues, the Board of Directors may levy an assessment or assessments for the purpose of defraying, in whole or in part, the costs of any acquisition, construction, reconstruction, repair, painting, maintenance, improvement, or replacement of any Common Facility, including fixtures and personal property related thereto, and related facilities. The aggregate special assessments in each calendar year shall be limited in an amount to Two Hundred and No/100th Dollars (\$200.00) per Lot. Notwithstanding the foregoing, the Association shall levy a one-time charge for the mailbox allocated to each Lot, which one-time charge shall be determined by the Association on annual basis.

12. Excess Dues and Assessments. With the approval of seventy-five (75%) percent of the Members of the Association, the Board of Directors may establish annual dues and/or assessments in excess of the maximums established in this Declaration.

13. Uniform Rate of Assessment. Assessments and dues shall be fixed at a uniform rate as to all Lots, but dues may be abated as to individual Lots owned by a person or entity other than the Declarant and shall be abated with respect of any Lot during the period such Lot is owned by the Declarant or any of Declarant's designated builders, as provided in Section 7 of this Article.

14. Certificate as to Dues and Assessments. The Association shall, upon written request and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the dues and assessments on a specified Lot have been paid to the date of request, the amount of any delinquent sums, and the due date and amount of the next succeeding dues, assessment or installment thereof. The dues and assessment shall be and become a lien as of the date such amounts first become due and payable.

15. Effect of Nonpayment of Assessments; Remedies of the Association. Any installment of dues or assessment which is not paid when due shall be delinquent. Delinquent dues or assessment shall bear interest from the due date at the rate of sixteen percent (16%) per annum, or the maximum legal rate of interest, whichever is less. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot or Lots, and pursue any other legal or equitable remedy. The Association shall be entitled to recover as a part of the action and shall be indemnified against the interest, costs and reasonable attorneys' fees incurred by the Association with respect to such action. No Owner may waive or otherwise escape liability for the charge and lien provided for herein by nonuse of the Common Area or abandonment of his Lot. The mortgagee of any Lot shall have the right to cure any delinquency of an Owner by payment of all sums due, together with interest, costs and fees. The Association shall assign to such mortgagee all of its rights with respect to such lien and right of foreclosure and such mortgagee may thereupon be subrogated to any rights of the Association.

16. Subordination of the Lien to Mortgagee. The lien of dues and assessments provided for herein shall be subordinate to the lien of any mortgage, contract or deed of trust given as

collateral for a home improvement or purchase money loan. Sale or transfer of any Lot shall not affect or terminate the dues and assessment lien.

17. Subsequent Phase Declaration. Declarant reserves the right, without consent or approval of any other Owner, to expand the Association or amend this Declaration to include additional residential lots in any subdivision which is contiguous to any of the Lots. Such expansion(s) may be affected from time to time by Declarant or Declarant's assignee by recordation with the Register of Deeds of Sarpy County, Nebraska of a Declaration of Covenants, Conditions, Restrictions and Easements, executed and acknowledged by Declarant or Declarant's assignee, setting forth the identity of the additional residential lots (hereinafter the "Subsequent Phase Declaration").

Upon the recording of any Subsequent Phase Declaration which expands the residential lots included in the Association, the additional lots identified in the Subsequent Phase Declaration shall be considered to be and shall be included in the "Lots" for purposes of this Article II and this Declaration, and the Owners of the additional residential lots shall be Members of the Association with all rights, privileges and obligations accorded or accruing to Members of the Association.

GENERAL PROVISIONS

1. Except for the authority and powers specifically granted to the Declarant, the Declarant or any owner of a Lot named herein shall have the right to enforce by a proceeding at law or in equity, all reservations, restrictions, conditions and covenants now or hereinafter imposed by the provisions of this declaration to either prevent or restrain any violation or to recover damages or other dues of such violation. Failure by the Declarant or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

2. The covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty-five (25) years from the date of this Declaration. Thereafter the covenants, restrictions and other provisions of this Declaration shall automatically renew for successive ten (10) year periods unless terminated or amended by the owners of not less than seventy-five (75%) percent of said Lots, which termination or amendment shall thereupon become binding upon all Lots. For a period of ten (10) years following the date hereof, Declarant, its successors or assigns, shall have the sole, absolute and exclusive right to amend, modify or supplement all of any portion of this Declaration from time to time by executing and recording one or more duly acknowledged amendments to this Declaration in the Office of the Register of Deeds of Sarpy County, Nebraska. Thereafter, this Declaration may be amended by an instrument signed by the owners of not less than seventy-five percent (75%) of the Lots covered by this Declaration.

3. Boyer Young Equities XVIII - Sumtur Crossing, LLC, a Nebraska limited liability company, may assign its rights as Declarant hereunder at any time, by filing an Assignment of Declarant Rights with the Sarpy County Register of Deeds. In addition, Boyer Young Equities XVIII - Sumtur Crossing, LLC, a Nebraska limited liability company, or its successor or assign, may terminate its status as Declarant under this Declaration, at anytime, by filing a Notice of Termination of Status as Declarant. Upon such termination filing, the Association may appoint itself or another entity, association or individual to serve as Declarant, and such appointee shall thereafter serve as Declarant with the same authority and powers as the original Declarant.

4. Invalidation of any covenant by judgment or court order shall in no way affect any of the other provisions hereof, which shall remain in full force and effect.

5. An established amphitheater, currently known as Sumtur Amphitheater, has been constructed on the property legally described as Dam Site 20, Section 33, Township 12 North, Range 12 East, generally located east of 108th Street. Declarant anticipates that the Sumtur Crossing Lots will be potentially affected by usual and customary amphitheater operations. Nevertheless, purchasers and owners of the Lots should be aware that: (i) normal use, operation and maintenance of Sumtur Amphitheater will include, but not be limited to, noise, music, sound systems and speakers, vibrations, lights, mowers, power equipment, odors, and additional traffic, before, during and after the Sumtur Amphitheater operations; and (ii) such usual and customary Sumtur Amphitheater activities may from time to time affect the use and enjoyment of the Lots and may

include activities other than those typically related to amphitheater uses. Each Lot Owner acknowledges that they accept the usual and customary operations of the Sumtur Amphitheater and the effect on the Lots. The Declarant hereby declares, grants and establishes easements on the Lots in favor of the Sumtur Amphitheater operations for: (i) intrusion of noise and other effects from the usual and customary Sumtur Amphitheater operations, and other activities permitted at the Sumtur Amphitheater, including, but not limited to, noise, music, sound systems and speakers, vibrations, lights, mowers, power equipment, odors, and attendee participation; and (ii) intrusion of lights and traffic into the Lots.

6. Driveway approaches between the sidewalk and curb on each Lot shall be constructed of concrete. Maximum driveway slope at the sidewalk intersections shall be no more than two percent (2%) cross slope within public right-of-way to provide for a tabled driveway cross slope that is compliant with ADA/PROWAG guidelines and City of Papillion Standards. Should repair or replacement of such approach be necessary, the repair or replacement shall also be of concrete. No asphalt overlay on driveway approaches will be permitted. The Lot owner shall be responsible to provide adequate remedial measures to prevent street creep/driveway binding on any curved streets where the street abuts the driveway approach.

7. The driveway constructed on each Lot that is located on a public street which may be susceptible to street creep, including but not limited to curved streets, steeply sloped streets, T intersections, and/or cul-de-sacs, shall be constructed to accommodate the potential for street creep. The construction measures taken to accommodate for street creep may include, by way of illustration, larger expansion joints in areas susceptible to creep, placing full-depth expansion material at additional locations throughout the driveway and at the edge along any foundation or other concrete slab, such as a garage floor or sidewalk. In addition, the Owner of a Lot abutting a section of public street that may be susceptible to street creep may also address the street creep issue by placing two (2") inches of full-depth expansion material between the public street curb and the private driveway.
